Declaration Of

Danny M. Wells

RE ENCAMERA HEARING

Danny M. Wells

AkA Lord Gerker

The King of England

1. Declaration in support of a finding of fact that Officers involved filed a false police report
In support of that allegation Wells declares Law Enforcement personnel accepted a report of an
assault upon officer allegedly committed by Wells.
2. That said report was relied upon by administration of the Department, and other law
enforcement involved.
3. That said reliance resulted in the service of a Criminal Complaint upon Wells while Wells
reported to the COURT for a citation issues in an unrelated matter some 45 days after the
incident which resulted in the Criminal Complaint.
4. That the service of the criminal Complaint in that manner was Malicious Prosecution by the
District Attorney, in conspiracy with said officers.

5. That as the evidence will show the actions of the officer, Department, and the District Attorney is RACE based, as Wells cites and as fully set forth his internet documents under wellsdannyyw@aol.com, the IMdb entries, and motions the COURT to read them.

6. That said IMDB documents written by Wells is a history of Negras, and Masons of Illinois, and California, that said OFFICER, Administration and District Attorney personnel involved here in are from ILLINOIS.

7. That the manner of service of the Criminal Complaint establishes doubt as to the intent behind the service.

8. That service of such a Criminal Complaint of that nature is not normally completed that way, that there are laws prohibiting service in a COURTROOM, That by CUSTOM AND USAGE the District Attorney serve a COMPLAINT by a letter to the Defendant wherein the Defendant is to come to the District Attorneys office with a lawyer and pick up the Criminal Complaint.

9. That how was the District Attorney to notify Wells if the other matter were disposed of at some earlier time before the date Wells came to the COURT, that no evidence exists to justify a Criminal Complaint to just be laying around the Public Defenders Office.

That the service of the Complaint is a method of EXTORTION.

10. Extortion being the intent that TAINTS the ACTIONS of the personnel themselves.

In support of this Declaration I note for the COURT that the Officers involved stated they saw Wells make some type of MOVE, After or Before Wells gave his Check Book and other documents to Officers,

11. That Wells was not aware of anyone around the area except the Officer in the patrol vehicle. That Wells was struck from behind and forced to the ground without any statement that they

were Officers.

12. That if Wells Moved to assault why would Wells move into a position where in the Officer would have the advantage, evidenced by the fact Wells was forced to the ground and not successful in overpowering the Officers.

13. That if Wells gave the Check Book and other documents to the Officer in the Patrol car why was

there no investigation into if the documents and check book were stolen, where is the justification to investigate the ownership based on the fact officers obtained documents and a check book from someone not 200 feet away from the Wells Fargo BANK, and ATM machine.

14. That Wells did not have any warrants, That movement itself is not justification for the Officer to get out of the Patrol vehicle if he already had the documents, other personnel either saw Wells give the Officer the Documents while the Officer was in the patrol vehicle or saw Wells give the documents to the Officer after the Officer got out of the patrol vehicle, and OBSERVATION that no check to determine if the documents were stolen had been completed by the Officer would not justify a battery by the personnel apparently behind Wells just because Wells moved.

15. Wells told the officer his name, had the documents and the check book safe in a patrol vehicle and other personnel strategically positioned, where was the actual expectation of any harmful touching, how close were the other personnel. were they so close Wells could not just decide to turn and look at a tree, or just move to the grass area while the officer accessed the computer, how close were they that they just attacked from behind mine you, meaning is it reasonable to believe that an officer trained is going to let a suspect see them when the officer is behind the suspect.

16.If intent is not to be seen then who has the advantage and how close should such a position officer be, arms lenght, of seveal feet, as the obvious intent is to see all the aspects of the suspect, to see all aspecks you would have to be at least 10 feet away,

17.At 10 feet away how much movement would justify the belief that the Offcier behind Wells was in danger of receiving a harmful touching, Wells would have had to have ran at the Officer stratigically positioned behind.

18. Any authorizing movement would have had to be Wells refusing to give over the DOCUMENTS, and in FACT their is no law which states Wells had to give the Officer anything at all. the movement claimed by the officer is in light of Wells handing over the DOCUMENTS; the exact time the Complaint was written, and knowledge of Wells internet writings, and the transfer of money by internet subsequent to the initial proceeding expected by the Masons as Wells has transfered money every time Wells resides in Torrance and the Mason know this evidence by wells US District COURT Civil litigation History cited herein as fully set forth and in light of the allegation that the Officers the Administration, the District Attorneys Office are Masons and they all know Wells from Illinois and and they know I do not like Masons and I will not give Masons any money, and for 40 years the Masons have been after my money.

19.Wells points out that Wells had his lip laserated, and suffered bruises and contusions, that Wells received stiches to the lip and was taken to the Hospital and released about 4 hours later with any charges filed, if released how many days does the District Attorney have to serve a complaint after deciding to file it.

20. When was the decision made and these circumstance requires an accounting of that decision, the drafting of the Criminal Complaint as well as any delays.

and states that a PAROLE OF THE EVIDENCE establishes intent on the part of the negeras and the Masons , England and the House of Lords. That this happens all the time when white people have to deal with negreas and Masons

I Danny M. Wells swear and affirm under penalty of perjury under the laws of the State of California that the above is true.

Legal Analysis

22.Of the Estate of Danny M. Wells 353565347 California Drivers License A6712910

The Estste has had thousands of Civil Court filings uopon it. Filings that were in inferior Jurisdictions Creating a history of Vecasious litigants the Estate is to be recognized by all jurisdictions as beinging Maliciously Prosecuted by Terrorist and

23.Parties that had the intent at the creation of the Estate to ROB Danny M. Wells, Steal from Danny M. Wells, Extort from Danny M, Wells, Defraud Danny M. Wells Embezzell from Danny

M. Wells Conspire against Danny M. Wells, and to Breach the Purchase Contract with Danny M. Wells after the consideration was transferred.

24. Then said parties all identified in all the litigation involving Santa Monica, Pasadena, Costa Mesa, and San Bernadio were to enjoy the Estate of Danny M. Wells without returning all the cost to Danny M. Wells in purchasing the Estate in the first place.

25. The Vecsacious litigant standard herein is to be DEFINED by 1) the parties that have filed so many civil causes of action that the intent is clear.

2) The subject of the litigation Defines the intent of the litigation.

3) The property involved Defines the litigation

as the three topics involve the RIGHTS of the OWNER of the Estate, and the FACT is the Plaintiffs in said civil court filings do not have standing to sue, as the NATURE of the Estate deprives the common party from a civil sue BEcasue the common person has to alledge OWNERSHIP of a FEE SIMPLE.

26. And said parties DO NOT HAVE A FEE SIMPLE OWNERSHIP, or thee right to even be on the Estate, becasue before any party is allowed to be on the Estate they have to be in compliance with all the COURT orders in all the CIVIL COURT records , to include the World COURT ORDERS of Istanbul Turkey,

27. And that persons also protected by COURT ORDERS that were for my Estate effect the ability for said parties to be on the Estate, That is the value of ownership of an Estate that persons and parties whom have do noting but casue trouble cammont come on to the property. They are forever to be separated from the Owner physically.

28. The who value of an Estate is separatioion from the PUBLIC,, That is the total value of an

Estate, the RIGHT to prevent persons from traveling upon it.

29.Civil suits entertained by the COURT, recognized by the public, used for the purpose of COMMERCE, or propaganda, or to control property on the Estate are civil activities which deprive the Estate owner of the VALUE of rendering over the CONSIDERATION for the purchase of the Estate.

30.In this case the RENDERING was to the STATE OF CALIFORNIA. The General Assembly received the CONSIDERATION after a popular vote of persons at least 18 years of age at that time, and the CONSIDERATION was insured by the United States Tresury.

31.That is how I do BUSINESS, I do not had over 50 Trillon DOLLARS JUST for the State of California in about 1971 for nothing, and that is what I paid 50 Trillon Dollars to be trated as documented in my REPORTS TO THE COURT, and my own Civil COURT records.

32.NOW, these people who are identified over the years by civil court filings over here over their and involving the creation of a DEUTSCHE BANK in New York, and who resided in my property without approval from my Real Estate personnel authorized to do business in Real Estate by the Royal Embassy of Saudi Arabia Washington D.C. are the problem,

33.They have been in these properties do all this history of animalistic behavoir and insanity, in life prolific in fact (and I ask is not life prolific enough for you) that you have to resort to behavior that is as a animal.

REMEDIES

34.They are the award to Danny M. Wells DAMAGES for the prevention of enjoyment of the Estate because the California Department of Corporations , the California Employment and Fair Housing, the California General Assembly, the California Department Adult Protective Services, the Los Angeles County Government, the Los Angeles City Government DID NOTHING TO REMOVE THE PARTIES, THE PEOPLE THE BUSINESS that have Harassed and operated to destroy my enjoyment of my Estate,

35.EVERY DAM PERSON WHERE EVER WAS PROTECTED BY various other means, EITHER THEY HAD FAMILY THAT THEY COULD GO TO when ever there was danger, and they could even get into the Sea Castle Apartments 1725 OCEAN FRONT WALK Santa Monica, (for some reason because I valued that property because a god dam symbol of victory and I just SO ABIDINGLY RESENTED people going in the building as if they have a SUPREME RIGHT TO EVEN GO IN THE BUILDING WHILE I AM LITERALLY BEING PHYSICALLY ATTACKED IN THE STREETS, The whole concept and the philosophy behind it is so revolting it is perverted,

35.That my dam enemies ,, in fact contend they should be allowed to go to the safety of the Sea castle in times of serious trouble,, that is just revolting and then said person want to contend ownership,,and the public believe it,, because I am not in the Sea Castle in the times of trouble, because I am too busy be DEBATORIZED BY THE FUCKING english niggers anglo and negro in the god dam streets of Los Angeles,,and that has been the god dam revolting dycotomy.

36.NOW, after 45 Years of this I am to just FOR GO demanding that the INSURE which is the United States Treasury paid me Damages because said parties wanted the CONSIDERATION and then they wanted to Breach the Contract at the off set, Because they were thieves in 1971 evidenced by the god dam nonfessance and willingness to just fucking do nothing about england,

and these anglo and negro Niggers.

37.The COST to the US Tresury in the form of Damages is based upon 50 trillion dollars in possession over a 45 year period, and their is no return of the Estate. The property has been in my name for some 45 years now, So where is the benefit to me after all of this.

38.My benefit is in making the States of California pay it debts, and a easy way to do that is removal of all thse parties and pewrsons who have an interst in destroying the Estate.

Now That I rely on the use of it, it is time that they and their Hoarse Shit terrorist asses get out, along with the god dam english two face back stabbing coward english royalty, GET OUT. all english royalty do when they are to close to a English King that has made it on their own is kill the KING, a English King that is poor and relies english to feed them ,cloth them, and house them has nothing to take which is a property gain, it is only when the proeprty is paid for that their is value in taking it, otherwise the property that the english is after is already owned by englanmd, and their is no value.

39.That is why the english have done all of this debaturey over the last 45 years, Debatury and preversions to impune the integrity of the owner, to degridate the character in public, to use illegal methods to control the behavior, to commit murder of the king of england , to defraud the US District Court in many instances with so many Frauds Upon the Court that the CALIFORNIA BAR ASSOCIATION cannot stand to see them file any more,

40their tactic its so patentic now that said parties should be arrested upon filing, there is no STANDING for them to sue, no bases for no God Dam Adverse possession, Latches, some cocamamie feudal right to conquest all of these god dam civil actions portened to be to test the

GOVERNMENTS resolve to recognize my rights, is a sham in the highest order because if they were to win a case they would take to property, there is no getting out, and these parties do not recognize the Royal Embassy of Saudi Arabia Washington D.C. as my appointed authority to designate who is to do business in real estate, because the English take it upon themselves to involve themselves in real estate without authorization for the Embassy staff I appointed, and that is the whole crux of the refusal of England to recognize I have the Legal TITLE of ownership of my Estates of THE STATE OF CALIFORNIA, THE STATE OF ILLINOIS, AND THE STATE OF NEW YORK,

41. Ownership requires that the Owner Remove parties and persons the owners does not like, these parties and persons are English, you see. Therefore the English interfere with the CONTRACT because the English never intended to allow the purchase as a bystander to the CONTRACT. The English intended to steal the materials after I the purchaser transferred the currency to first the State of California, and then the currency went to the US Treasury, then every one would be happy as all the bills were paid without any one working for the currency, then some 45 years later if the OWNER was not murdered by the United States Air Force, the US Congress, the United Kingdom, the owner was to be so beat up that the king would not be a problem to the FACT that England loaded up the owners property with free loaders for some 40 years,,,

42. Free loaders, how does it feel to YOU that FREELOADERS were in your house, a 3500 to 12,000 square foot house for 40 years without paying a dime to you, while you lived in a god dam 1800 or less square foot house,

43. and all you can do is wait for all the mother fuckers to get out of the way, or make it to safety, or get some dam deal completed so they too can be strong enough to steal from you,

I Authorize some three months payment be made from my deposit into the B599949081 file or account, that in fact the CHAM BANK be notified that my intent is to expedite deposits into the FILE and or account, that deposits in the CHAM BANK can also be used to pay said rent as the Manager is to be paid, and the manager is waiting, and I do not want the manager to be waiting for his money, and that is why

I sold the documents to Paul te Crete, and I have also sent a letter to the Illinois National Bank in Springfield Illinois (CUSTOMER SERVICE) instructing them to deposit money into my Wells Fargo Checking account so I may pay my rent in that manor. I do not have a California Identification card, and it has been almost 10 days since the ID card was to be mailed from the California DMV, and the US Post Office informed me that the ID was not there at the US Post Office, and I had placed a hold on my mail and said hold was not in effect, Documents I filed with the USPO in Torrance to change my address were in the possession of USPO employees id Sylmar California, and I was told that if the ID Card did arrive it might be sent back to the DMV.

So at this point Between the USPO not wanting to forward my personal mail, not wanting to recognize that as a Licensed private investigator in the state of California that I might not want people I do BUSINESS with as a licensed private investigator to know where I actually reside, refuse to simply distinguish between business mail and personal mail, and have decided to just SHINE ME ON.

And that is what the dam USPO is doing SHINNING ME ON, I have a PROBLEM THAT IS EFFECTING ME AND PEOPLE WHO LIKE ME, and I am tired of it all.

I just want my dam ID card to be delivered to where I live. I live at 1646 Cabrillo Ave #17 Torrance California, and I really do not have time to keep going up to Sylmar to check, or to end up walking from Torrance to Sylmar as apparently some dam body did in the past and this is some kind of revenge thing , which is popular with you dam old people who discovered the the King of England had to do all of this, and you went through this script to see how you compared , and I am telling you all this was not a dam game.

This is real life and you actually interfered with NATIONAL SECURITY, you USPO employees should be ashamed of your selves actually.

I hope that parties understand that and ACTIVITY is a serious procedure and parties that see the opportunity to resolve their problems should note that the load on the architects could be to much, This activity was planed 33 years ago, and rehearsed by me at least three time, this is no rehearsal, and we are 80% completed, and I really do not want additional parties utilizing me,as there is something inherently wrong with one person

I sold the documents to Paul te Crete, and I have also sent a letter to the Illinois National Bank in Springfield Illinois (CUSTOMER SERVICE) instructing them to deposit money into my Wells Fargo Checking account so I may pay my rent in that manor. I enclosed a deposit slip for Wells Fargo for the INB to send Wells Fargo a check for deposit into my Wells Fargo Checking account , which I have checks for, and the Manager of apartment 201 is willing to accept a check from me.

I do not have a California Identification card, and it has been almost 10 days since the ID card was to be mailed from the California DMV, and the US Post Office informed me that the ID was not there at the US Post Office, and I had placed a hold on my mail and said hold was not in effect, Documents I filed with the USPO in Torrance to change my address were in the possession of USPO employees id Sylmar California, and I was told that if the ID Card did arrive it might be sent back to the DMV.

So at this point Between the USPO not wanting to forward my personal mail, not wanting to recognize that as a Licensed private investigator in the state of California that I might not want people I do BUSINESS with as a licensed private investigator to know where I actually reside, refuse to simply distinguish between business mail and personal mail, and have decided to just SHINE ME ON.

And that is what the dam USPO is doing SHINNING ME ON, I have a PROBLEM THAT IS EFFECTING ME AND PEOPLE WHO LIKE ME, and I am tired of it all.

I just want my dam ID card to be delivered to where I live. I live at 1646 Cabrillo Ave #17 Torrance California, and I really do not have time to keep going up to Sylmar to check, or to end up walking from Torrance to Sylmar as apparently some dam body did in the past and this is some kind of revenge thing , which is popular with you dam old people who discovered the the King of England had to do all of this, and you went through this script to see how you compared , and I am telling you all this was not a dam game.

This is real life and you actually interfered with NATIONAL SECURITY, you USPO employees should be ashamed of your selves actually.

I hope that parties understand that and ACTIVITY is a serious procedure and parties that see the opportunity to resolve their problems should note that the load on the architects could be too much. This activity was planned 33 years ago, and rehearsed by me at least three times, this is no rehearsal, and we are 80% completed, and I really do not want additional parties utilizing me, as there is something inherently wrong with one person doing everything. Individual responsibility for your assignment is required. Inability to perform means you are not qualified for the assignment.

Inability to perform means you should not have the benefits of your position and you should be replaced in fact. I personally have noted at least a 50% performance burden on my efforts meaning parties are passing their burdens.

History Saudi Arabia was in fact the government for America in the 1970, in the 1980 the Bush family, and Betty Evelyn Campbell Wells Ran the Saudi Arabians out of the entire country and the result was economic collapse, he Bush family and Betty simply did not know where the currency that ran America came from. The currency comes from Saudi Arabia America, and they left us in the dust because they were beaten up physically in the streets,

by Betty and the Bush nigger gangs, and that is the fact of it. Now we have a chance to get that currency back, and that currency is what we have to have, so do not mistreat the Saudi Arabians, they are Anglos and they have currency, do not confuse the Saudi Arabian with a negro blood, they are not, Saudi Arabia's are like suburb white kids, and that is who they send their children to America , to play, and when you go somewhere to play you do not want to be beat up by jealous English who cavort with the Niggers, Saudi Arabian people do not like Negroes at all.

And Saudi Arabian people are fierce but very soft, it is like a very valiant man that weighs about 140 lbs., and they are about 140 lbs. , because if they were 230 lbs. you could not withstand their valor.

To understand them America..and keep the Saudi Arabian away from Negras, they really do not like them, Saudi Arabians learned about Negras thousand of years ago, and enslaved negras millions at a time, That is how Islam was literally bostrosized by the negra , putting so much taint on my religion I could barley with stand.

Bush resents so much of his life being exposed, but it was cavorting with Sandra Elizabeth Bullock, ass fucking, and the nergas , alienating the Middle East, invading the middle East , the Jealous of the Middle Eastern Culture, the intent to rape middle eastern women, all the shit play,,etc. that just put him in to so much ill repute his father put hands on him.

I would appreciate a message being forwarded to the intelligence community of England, For 40 years now I have had to deal with person intent upon stealing my wealth to pay the bills and debts they owed to Niggers, and I do not want to pay the debts that the French, the English or any one else owes to niggers. As I have no contractual contact with them. And there is a reason for that. Based upon my personal experience. I do not like them,

26

Kal El., for almost 40 years I have had nothing but trouble from the French, and Mel Gibson. Gibson and Sandra Bullock the actor and actress have been the worst. Childish and involved in evil... They set out to steal my wealth, and England helped them as I controlled the House of Lords and the Lords resented this. \$0 years of petty theft and deception to convert my wealth to pay their bills and debts. To include putting me through perversions because they were lustful in their hearts. Testing my morality to the point where they told lies, and deceived the entire public. This were the way they put off paying their debts, and a return to nergro Africa.

I submitted a visa application to prompt a search for my real birth certificate, the web site I have used is controlled by Mel Gibson or the hansen Family which have also been nothing but a problem for me, HOL have the tactic of pitting me against BULLOCK< GIBSON, EMMA THOMPSON, Kenneth Brannagh and his gang of spies from some unknown central European country defunked by england, to waste my life away in order to steal my financial records or make them disappear.

I document for you the practice of killing children by england. Every year the English have the Harvest festival. I was exempted from the harvest festival because My food was paid for in advance. I owned the land the framers farmed on.

But the BUSH family, the Hansons, Brannagh, The Thompson family, the French, Frenchene, Frenchen etc , and the Niggers, Burnette Ancrum, Keith Copper, as well as the disgusting (sex change operation Betty Evelyn Campbell Wells, and Laura Jayne Wells Morrison) all insisted that I be put in the Harvest Festival under the Dam Hansen Family, and the purpose is to count the crops and determine if there is enough food for the children of that year,

When there is not enough food children are shot to death on the spot, and there is negotiations and arguments about who has to many children, I was put in the pool of children to be shot with the NIGGERS and I just cannot fathom the hate I have for these dam animals.

They are so insanelly afraid of death that they just put all in front in order to live, and that is the crux of the profound detestability of it. To value a nigger like a KING, and I am suppose to respect a people that endorse or ascribe to that.

It is the english philosophy on communism that I never will ever accept , and I swear I am going to punish england until I die for that!

What I would like is my birth certificate , from Syria to hell with england about it as those communist niggers of niggerdom want to extort me about that to steal from me in order to feed those communist niggers for free and I am tired of the niggers altogether, so pick which nigger I am talking about.

Cham Bank file or account B599949081

The Birth certificate, my real one is what everyone wants in the file, it is not necessary to make an account but is things like the about which is documented that just makes people want england to pay in every way so people block this they block that until all the paper work is in and all the parties pay for what they did, as people do not want to bow to perverts and the perverted. so they want the real Birth Certificate and I am asking Syria the Government of Syria to sent Cham bank the birth Certificate for Kal El which is also me, so the public can know who I am.

(tahi si what this is about, it is not about putting money in other people pocket, I have done that for years, and now it is time I get my money. All of these people have lived great lives and did very little for what they have to do now, what is it a few days of stress, faingning inability until a relative of friend gets another house or mansin of job for life moniter noting at all.

I am tired of paying money to protect money I cannot use, because I am used to pay the debts of other people, no more, so you peole do what you have been paid all your lives to do, transfer my money in a manner wherein I can use it, all of you are linked to Chatham Illinois, an hid in that town there from the nergas, and I am not going to protect any of you any more,, so just do your job and understand that when you get your bones broken and you get shot and cut, because of the greed of others,a lazyness you hate people then. ISSUE ARE MY DOCUMENTS HAVE BEEN tampered with , for obvious reasons, staff are to inform The Actor Greg Kenner that I crossed Hawthorne Blvd in Torrance California, and I am using the Starbucks coffee Shop in the **Village Del Amo** , that I saw the poster of the JFK move at the corner of Hawthorne Blvd and Torrance Blvd, Torrance Blvd that runs in front of the Library, a word I have trouble spelling.

You Kenner have caused a lot of trouble, and my staff are to approach you as this is a document for all Embassies previously served, and the FOLLOWING is a SENSITIVE information for my staff only!, You Greg you apparently have some kind of issue with Brian Delmer, now Delmer is the person with all my recordation from my work for the National Aeronautics Space Administration, I cannot use Copenbarger because Copenbarger is compromised, and you and Delmar do not get along, I cause Roth to be contacted to verify my identity with Brian, but you also have to contact Brian, and Brian does not like you.

Why you have to be included with so much dissention between you and Brian is unknown to me, accept for some dam endorsement of some activity , Brittan is forcing on people because some dam brit had to do it.

It is always that some dam popups ass had to do , which was embarrasment, that is pushed on everyone, and I am tired of it,

So either do what you are suppose to do, or forget about it, their aint going to be no transmission of documents to you, not because I cannot do it, all it is , is to create the fie again , but I am not going to do it, I just do not want to waste the time sensationalizing this and dragging emotions out of people!

The attachments you are going to receive are a manipulation of my lap top by obviously

the dam FRENCH, and that means they are misleading to hide all the trash they have done, as this document here is explanatory in comprehension, a explanatory to the **Cham bank itself**, all understand who dam convoluted this is to prevent people who just should be done away with refuse to accept their fate.

**TO ALL PARTIES THE BLUE BAG REFERED TO
HEREIN HAS BEEN LOCATED AT 10:10 PM ,
4/26/2011...**

This Mr. Danny M. Wells 353563547,

I want to report a theft, I reside at 1646 Cabrillo Ave #17 Torrance California 90501. I am involved in an activity. The activity has been on going for about 6 weeks now and has involved several communities in America.

Aspects of the events involve the intelligence community. The procedures require an individual to have a degree of anxiety. There are various ways to promote anxiety. I have staff and a team I work with that know what I need to function.

In the application of this activity various persons became aware that their social status, the origin of their financial stability were becoming endangered. Therefore, after some 30 years of attempting to extort me, or injure me physically they presented to the intelligence community an intent to assist me in said activity by stealing private property, thus promoting anxiety.

The private property was a small blue bag. That will fit in your hand. The Blue bag had all my debit cards in it , and my Debt card from my Fidelity Investment account , which happened to be the account I am to used to pay my rent.

Further the blue bag had my account verification numbers for a new account I established with a foreign BANK. Now I do not have a written account number to that account.

Now, the point here is psychologies are different I happen to actually be a KING, and the parties that took this item opposed me for 40 years or more. I rejected their women, as they ere sent to steal my whole treasury, and as dishonest and cowardly as you will ever encounter . I cannot be involved with such a blood line.

This theft accrued some 20 years ago, and when it did I clearly separated from these people, they are the Pullam family and or the Sandra Elizabeth Bullock family of actors, and the Mel Gibson family as they just were not to steal from the KING.

Nothing is to ever be stolen from a KING , that KING will resent you for ever. As it is an attack upon the Kingdom, Kings are breed to protect the KINGDOM they were given, it is their nature.

I am a Victorian , and a Chamberlin type of King of England, and I have other Crowns on so other subjects to those crowns are also insane with anger at the GAUL these people have, no one is to ever enter the sleeping quarters of a KING, after hours. That is such an insult that , my staff to include the USAF assigned to me never stole things from me. They did other things but never ever stole something.

Now , these people were endorsed by England, either the House of Lords, or the Queen herself, as were probably the case the last time , I do not know about now.

THIS WERE THE PARTING OF THE WAY. AS I WILL NOT STAND FOR THIS, AS THIS IS WANT WILL MAKE THE KING ATTACK THE ENGLISH ROYAL FAMILY, NO KING WILL TOLERATE THIS.

replacing the cards and information is time consuming.

It is the French Royal family trying to make everything a joke , or being playful, like a dog or pig or something that is heading for the gulitteen, and that is exactly what it is . The French are on the menu and they know it, among Anglo people. They cased all the trouble and they want every one to SHINE everything on, as if we did not go through a life of hell for the last 40 years to drop the ball when it is time to kill.

The ball is not going to be dropped , we are going to complete all. And I want my property back, and I mean that! This were an attempt to make something sexual, as is the tactic of those sensing their death, to be Frank, and that is exactly what is sought, you can see it in the communities eyes, they have the history of these people, and to steal something is a tactic to appear childish or playful, playing with the kings money.

Why would any one come into the room , why would they be allowed? because HOL want these French whores, and HOL is the enemy of America evidenced by their behavior over the last 40 years, the Queen were not a 100% Anglo in the past and was so hated people could not stand for her to visit, she was shunned by Europe, as Europe found out she was a blood line with that adopted Bush child also a negro blood, and they together with the the French just destroyed America with English power and intimidation , confusing the people for years, You never knew what side any one was on in the 1980.

These French were endorsed at high levels of government by a few people in power with ties to the enemies of America the Negros. and that was the fact.

I want my property back,

Mr. Danny M. Wells

To the queen every one is waiting for this and I just hate to give it to them because it is obvious that the enemies of America never want anything to work out to the plan of the Anglo. The enemies want all to result in negro Africa, so any plan to live the life of an Anglo is hampered by negro concerns, what concern is to an Anglo the problem of a negro? England Ireland Scotland Wales etc. are Anglo countries, snowflake people.

What happens to snowflake countries they are attacked by Negros , and that is my question, the Prince and his bride , why did I receive the signal (that they were in Kenya) That is my signal that they have a connection with negro Africa that is a compromise to this prince and or this Princess ascending to the thrown! I order that signal to be sent to me at this time, so what is it? The T.V. said they had a marriage proposal in Kenya, they were not to go their, unless there was some kind of problem!

and ARMS, That is the names I know them by. Both should be familiar with the Sea Castle Apartments in Santa Monica California. Both should be aware of Mel Gibson and Sandra Elizabeth Bullock, from the events in Springfield Illinois (1977) and the behavior of the English House of Lords, and the Ducoveny family.

Arms you are know to be a Dane, and a Negro blood line, but you are also deceptive, and never knew for sure if you were setting the MASON up or not. You could have been an Anglo luring Masons as I were. At any rate I have been able to examine your history since we know each other in springfield Illinois and I have decided you are mean as ever, and therefore you are to be interviewed for a job with Deutsche Bank Trust Comapany Americas in favor of Danny M. That is the verification to the Bank which is to be transmitted to the bank officials, as a verifications of my identiy as the number corresponds to a vist to the California Department of Motor Vehicles , I made about one hour ago.

I am on camera in the DMV office located in Torrance California, that and the fact the Embassy of Greece has my right thumb fingernail establishes my identity.

I confirm that we three met and dicussed this some 30 years ago at a resturant. And I chose you to work for me and you are to operate in Africa as I am not sure what exactly are you! So the Syrians will find out what you are. You will or will not receive your travel arraingements, as you have to be checked out . That is the way it has to be, do not bother calling , you will be called, and just follow instruction. The call will be from the CHAM BANK officials if you are to be interviewed, what you do for me is up to them. I pay your salary from the trust fund.

Michelle , I would like to make you an accountant to pay some of my bills, and you also are to go through the same procedure,

Mr. KOYBIASHI, this message is not a public document , it is legal understanding and KOYBIASHI will have to be told that he will be interviewed for his brothers job, being is brother is deceased , he is to follow the same procedure, and be a purchaseing agent for me, and possibly a curriour for Mary Ann Convertino..

The trust fund is **Deutsche Bank Trust Company America the Master and the Limited fund**

I am fed up with people assuming they controlled anything. I sat back for more than 40 years and watched people lie , and steal. Therefore this is the authorization to take the currency from the BANK and from the Trust Fund, as I want no misunderstanding as to my right to take all the money, and that I am the owner of all the Currency.

The particulars of the currency itself can be obtained from the person I refer to as my BURSAR, he is the manager of the A Plus Foreign Currency Exchange. I KNOW THAT

Subject: Injuries to the foot and the heel of the King of England

To the Counselate General
of France

From Christian Amedus Pendragon
known as Danny M. Wells 353565347

I am the King of England, I have been harrassed by Sandra Elizabeth Bullock for 40 plus years. The actress, I have been under attack by the Persons who have controlled the Illinois National Bank, and I am filing a complaint with you as it all stems from France and the French Royal Familys involment in Africa.

The French Royal Family went to Africa as a rebellion against being defeated in battle against the English. They were enslaves and they escaped to America, but the Africans chased after the French royal Family.

The tactic of these French Royal females is to run to white strenght, and they bring with them all their trouble , which is negros. Negros are not welcome in America by me the owner of the continential United States of America, and I am not playing around with you.

Note that the US Congress as I recall have not passed a budget! All of this is to bring to a head all the debt an individual owes and families, then their are to be investigations into finance of purchases, then their is to be a margin call on the markets to verify that purchasers are not kiting checks and other insturments.

Which is to result in massive homelessness , and food shortages for specific persons. This is 2011, and the point is that the French Royal Family have stolen money from every one to pay the food bill for negros they brought to America, and I for one am not paying ant mpore, the French Royal Family and their negros are to leave.

They bring down America. In addition to this the French accepted deposit of some 14 Trillion Dollars from China 2001 or so. and they were to deposit that money, I learned that the Chineese could not access the money, and I had possession of the land. The French Deposited the money in the Embassy of Belgium in France. The point were to get back at the fact I hind my money in an embassy of a country and used another countries city name.

So the concept of Brussles France were created by the French royal Family.

I attach photos of my injuries, and I attach the document signed by a person who has harrassed me for years, and involved herself in my trust fund. this letter to be sent shortly

Christian Amedus Pendragon
353-565347

I do expect the Embassy to contact tthe following
The Embassy of the United Kingdom, of Great Britian
The Embassy of Mongolia
The Embassy of the Hellinistic Republic of Greece
The Embassy of Austria
The Embassy of Syria Kal El

no Currency who is to get the available currency for the things they sell. Should the people who started and contributed to the reason the currency is being taken to another country have currency NOW, or be able to use a DEBIT CARD and get purchasing power!

The DEBIT CARD itself was created because GOODS AND SERVICES were needed to pay ill obtained debt, without the DEBIT CARD having any value at all, because the MAKER or the HOLDER of the DEBIT CARD did not have any of their own MONEY, so what was the receiver of the DEBIT CARD receiving in real purchase power? NOTHING at all, the DEBT from the DEBIT CARD of the (1972) or so was just passed on. That is the point passing on a private debt and hiding it in the economy has to end. The Debit card hid the fact the currency was missing, and it was missing because there was too much material being purchased, too many sales of unpaid for property, when the purchased was not scheduled to purchase. That means some other person has to purchase also, therefore two purchases are made, where does the currency come from, you cannot just print more money. BUT that is what we did, we just printed more money, that was not supported by an assigned value of the production of goods for that given time period.

The only currency that can be used is the currency designated, once the designated currency is sent away the whole area is effected. So now that the CONGRESS is being told that OVER 15 TRILLION DOLLARS has been removed from circulation from EUROPE and America. And it had to be done as I am controlling the property by physical rights now, AMERICA has to finally recognize that, the people who should not be in America have to go. They were expecting to deplete me of my private property. Understand that the economy was planned out, and the French Royal family that gambled on being able to pay their debts by stealing my property is over, The British that were involved, and members of the House of Lords are also being notified that their French relationships are not welcome, and the cost of said relationships are not going to be paid for by me! That is the short of it, I am not paying!

When a person is paid they have to be the person scheduled to receive the money, it is just like that. All these electronic transactions are hampered now, because seconds of possession result in a CASH pool that is used to pay people that should not have any Currency. Moving money around instantly was intended for convenience, and it became a way to create money. when it was discovered other just joined in. The practice defeated the purpose of Currency. Currency is massive accountability for an economy, Especially if the economy is as big as ours. If you are due a payment and you cannot get currency, but some other person has currency something is wrong!

Only people who are due a debt and have the legal right to currency should have currency. And every person who wants to have currency for the value of their deposits should be able to get the currency to at least 98% (for administrative costs of cashing out. That is the check if there is something wrong with the system. BRITAIN for too long used anyone's money to cover the fact that the French had these Nergas in this country, and it could not be, America was burdened with this and the that. Increasing our lack of Currency. Creating all of this scuffling of electronic money. So Nergas would have currency in their pockets. and it was them, the MEXICANS are from this hemisphere, the

I am informing you that I recall things from the 1970. That the events of the 1970 are on the minds of many people, and apparently people want to be told by me what happened as if I were a punishment machine. And Want to say the the incidents were known for 30 years or more, that it were not a secret, but parties want me to inform again and again until some other party that is hated is desrtroyed.

I am saying that their appears to be very little support for what ever the goal is in informing time and time again. These are affairs of English culture and it is true that the English are just very indirect to be polite, and I find the being polite among the uncultured is a waste of time. I have 40 years of experience in that area.

Now, this is about murder of Social Security Disability Receipient , and it is apparent that hundreds of Receipients did not report to a scheduled family medical procedure and the deduction is that they were murdered by the SSA PAYEE. It is that simple. English families have members scheduled to be at a peticular building at a specific time, and when the person does not report then foul play is suspected. The children could number in the thousands, so the father will not know all of them.

As a child in Springfield Illinois I resided at 1714 East Miller street, and I were the friend of the actor Benjamin BRATT (I also had a friend name BRUCE) the to were always confused. Bratt became my foster Brother in Los Angeles California, I went to CYA, and

66

he became a Police Officer, he was shot by a guy I call RUPERIC, see the film (BLOOD IN BLOOD OUT).

In Springfield Illinois if you received SSA Benefits your vary life were in jeopardy as the Negras would Murder you , impersonate you or try to force you into the MASONS, it was that simple. In 1970 Merry Reager became a foster care giver, and she is afgan, as I am Afgan, and I am stating for the record that Afagns are very loyal to each other, and it is because I LOVE Merry that all the LORDS want to destroy her, so they just dregre up anything they can as far back as they can to prevent my implementation of a FINCIATIALLY SOUND ECONOMY, I my self do not know what a Criminal history of some 40 years ago does to stop the implementation, other than an attempt to cast aspursions upon the person who came up with the ideal, or to cow tow someone at the expences of everyone else, but the ISSUE is the ECONOMY, not petty grudges, and it is all this side tracking to delay making people make their MARGIN CALLS which just exacerbate, it is the money understand the money is what is it.

NOW, Merry was suspected of MURDER of a child, the child was receiveing SSA Benefits, and Merry was CONVICTED of theft of MAIL, (1970) She disappeared and shortly after Ken Holm, who was in love with Merry was arrested with Merry In Phoenix Arizona by the sherrif of the town at that time , who was Steve Martin (the very extreasmly dangerous Comedian, Comedians are all very dangerous people, frist because they are so intelligenct they know what will make people laugh, and the fact a person wants to make you laught means they wants something from you, Thoses are two facts you should fear.

I lived with Steve martin a few weeks, and I almost went to Hollywood with Steve, and I changed my mind.

In 1970 I was the Judge in Springfield Illinois and I were about 7 years old, which is a Judge in England belive it or not, and I had to sentence Merry , and Holm, and I did. Thatw as why they both went to Federal Prison, Later I discovered their was something about the death of the child that the Lords did not say anything about and that was that. Some children were put in the care of specific types of women that routinely Murder children, and they do it out of instict.

Now Merry was not conviced to Murder, and I do not recall that being the charges, but a child was dead, and we had three women in town that would Murder children, I never thought that their was any issue with Merry, but apparently people think that was w weakness of mine.

Some time later I communted the sentences and I told Holm and Merry that they were to stay together, no matter what. I recall saying that they were to manage a food distribution center for me in Sylmar, but that LONGORIA, My manager at the Cabrillo building was in charge, Now Buckingham did not like that, Buckingham wanted the (BLOND with ALCOHOL COUNCIL) in Lancaster, and that is because of the persons WAR WOUNDS.

But I was not allowing that, so the adults were all apposed to my designe. Because of all this history eveyone thought it was a free for all, it was not a free for all ,it was all for me. To said LORDS you are the the individuals that put your own children in the custody of women that murderd children that were ill in some mannor, and you did that to be the Beneficiary of the MURDERED childs SSA Benefits. As you all thought that after I

financed the whole SSA benefits for every one, that you would just pop out thousands of children that had defects, MURDER them by someone elses hand and receive the SSA Survivor BENEFITS, but there are none for SSA Disability, only SSA Retirement. That is how dispicable you LORDS were, KING Edward reported this to me back in 1971 when so many Dwarf children came up dead, and it was called the SIDS phemonon. So what is it, is it that you are concerend about a MURDER of a child 40 years ago, or is it a distraction form the issue of the economy, what is it exactly?

I donot have any more information about any child in Merrys care that came up dead. I will tell you that , your Sandra Elizabeth Bullock Murdered a few children, and her sisters or Mother did that, and they received help from Betty Evelyn Campbell Wells, but you a will not do any thing about that because Betty and thoses whore Murder children that were not wanted.

I understand Merry was seen by one of her foster children Murdering a child, but that foster child was the child paid off by the Cabalistic Jew that ended up trying to steal the whole Santa Monica from me, that Jew bastarded that was the friend to Betty, I remember him the original Carpet Bagger , LORD what ever the fuck, hung around the nigger for years and fuck the hell out of Bullock. Hung out near Inglewood, and Hawthorne area, about 6'4" 180 lbs, sharp car, I ran him out of Santa Monica, he jogged around the Statue at Ocean and Wilshire Blvd. The one with the Implanted femur bone ,

Mel Gibson, I am telling you straight write a BOOK about Deamons and Devils, possession etc, They want you out of Hollywood , because the trend is moving away from EVIL people. and you Mel, you are EVIL, you were just like Pacino, and Jack Nicholson. I said that what we do is make movies about what people did, and you invied the devil into your soul back in Sprinfgeild Illinois prior to (1970) and when you did the Devil went right on in, that is why you analize people. That is what the Devil does Fuck in the Ass, and YOU KNOW who is telling you this, and I am not fooling around with you Gibson!

TOOL TIME
 You hated the fact that your histology was near that of a negroid, and you want to include other people into your category, so you were the person who breed the BEES in Illinois that when they stung Anglos it changed their Histology, and that change in histology cause accusations of Adultry. Law suites about parentage, Law suite about inheratance, business deals canceled, or changed, marragies canceled, and what ever else hindged on blood.

You were to obvios one, First no apparent chemistry accept a class recored by Buckingham palace, second a hatred of being exempted fro all the anglo activites, third you were a carpenter, and not assumed to be capable of such a thing, but it took me a year to finally get you. That is why your life will turn out the way it will. (1978) You could not get the Italian girl and you hated Mal Lac, and I had to get Mal Lac out of Illinois, as that was you ideal target, North Africans that blood is so pure anglo they are 200% european bloods. Assistance requested

I am a prince in Morocco, and I am a King in places on earth. I have the Estates of CALIFORNIA, ILLINOIS and NEW YORK, I am the Duke of the State of New York, and I am Lord Pendragon in California, also known as Lord Gerker, and I am the Earl of Greystoke.

I am currently residing in a Motel located at 1646 CABRILLO Ave # 17 , Torrance California 90501, it is the case that I do not have my Identification picture ID, this is due to problems with removal of people from my estate of CALIFORNIA.

My castle is the City of Santa Monica, I also have a castle of the city of Pasadena, San Bernardino, and Costa Mesa. I have not frequented them as I have to deal with this ID Issue.

I have decided that I want to purchase an Apartment Building in Ventura County. I have hired several Moroccans to manage my real estate in Santa Monica, and they were to stay in contact with me through the Moroccan Embassy in California.

This purchase is for the Person I assigned to Manage 1646 Cabrillo Ave Torrance California. He was assigned to that building in 1979 or so. It has been that long. his payment for remaining there was a apartment building I purchased which is located down the street from where he currently assigned. That building was a decoy for my enemies.

As I knew the building would be hampered with legal action by people who were jealous.

I knew this Manager as LONGORIA, and I was in fact his PAROLE AGENT many years ago, I was in a law enforcement program back in 1980 , from Illinois ,or so and was in California for a few months, I know his criminal history , he thinks I forgot about him. I did not, and the last time I was here he was in danger, and that was why I left, that last time I was here was a dry run. The time before that I really separated from IL SUN. And I was contacted by Ben Affleck that pointed out to me that my situation could have been worst as Affleck had to live with something detestable in gross.

So I returned to IL SUN. But this time it is different, This is the JUBILEE, and I as KING will not be doing this again, this is it, and it is not a dry run.

SO it is time for me to pay the Manager, and I have several requirements the MANGER put on the purchase. The first is that the property be located in Ventura County, the Second was that it be in possibly Morro Bay, other ocean side Buildings are also to be considered.

I would appreciate your staff notifying my real-estate staff of Santa Monica to find out what colors, type of Apartment Buildings, and cities in Ventura county the Manager likes, with out any direct statements of a purchase, as their will just be problems. Once the information is obtained then the Manager is to b e notified that he is in fact the owner of some specific BUILDING. My staff is to suggest that they should manage it, because purchases of that nature cause so many social and political problems that he will be over whelmed. and the ideal is to be known as a man of means.

He is to be the legal owner, and of course he is to be able to live in that apartment building free of payment, and I have to write my intent down , not to be begrudging, but to prevent the Manager having problems with people he apparently already knows all to

Name changes, Bank Robbery under other name with the Sibiantees Liberation Army, Sodomy of Kenneth Hicks in a fight for control of Springfield Illinois, Bestiality he fucked a dog or a goat people so he could be black mailed him self and he knew it, affiliation with Pan African Movement, Rape of a Queen, Plans to bomb buildings in New York with X president of Egypt Hussein Mubarak, and Assam Bin Laden, and Leo pentinio who was in the car with them at 1318 East Adams Springfield Illinois 1978 or so. I saw all of them their.

MR OBAMA WAS up against it in Illinois, he lost his endorsment by the debaturist HOUSE OF LORDS London England, I do not know the circumstances , it could have been the rape of the queen , but the value for that queen was so low that it was most likely some thing to o with the BUSH family as one side of the BUSH family are negras from africa from way back, and it was probably an african negra fight of some kind.(LOOK THESE ARE VERY BAD PEOPLE ALL OF THEM)

Then we have MRS. Obama making sexual approaches to me prior to 1982 or so, when I was working security or some thing in Springfield Illinois. At that time it was discovered that she was Magic Johnsons wife, and I really do not like to have to spell every word out to people who just do not want to read the documents, and what to argue that I did not specify this or that.

Why is it that the Inter net documentation has to be rewritten every time, I mean there are some 40 documents on this debriefing alone, do I have to tell you every computer I was on, Let us get real here, every thing I ever wrote is on a computer.

You do not want to believe I wrote it because it is a loss to you in some manner, and I will just authorize the United States Bureau of Investigation to authenticate any Internet document I wrote, and I can do that, so just physically take the document to the Long Beach FBI office, and they will tell you if I wrote it, Don't bother me with prompting any more, I am tired of people who do not have the guts to write down the truth.

Danny m. Wells 353563547

Some 30,000 pages of single space writings, and that is so much and you are a Harvard , or Yale graduate or something and you are so smart that it just could not be, because you only wrote maybe 5 ,000 pages.

My attorney is Carlin Yuen , Superior Court of California, I need to have her informed that any mail is to be sent to 1646 Cabrillo Ave #17 by any delivery service other than US Mail . As there apparently is some type of problem with my US mail service.
I still reside at the 1646 address ,

CONFIDENTIAL for the Illinois Bureau of Investigation,

This is information regarding a Murder that occurred in or around Springfield Illinois, a witness to it was the Actor Westly Snipes, (1970 or earlier) a child in the custody of Jeremy Irons was drowned in the Springfield Lake, or near by lake. Other persons also in the custody of Irons were at the scene of the drowning. When this occurred I as a KING were considered the sheriff of Sangamon County, I actually was at that young age. That was the way they did things then, irreguarless of you chronological age. You as a person under the age of 8 made decisions.

My deputy, or County coroner personnel was a man named Glen Morgan. Morgan eventually became my instruction at Lincoln Land Community College in Springfield Illinois (1980)

My actual age is about 45 years old as My birth certificate is not correct, it is a made up document. I lived at 1714 east Miller Street Springfield Illinois.. The state of Illinois is my Personal ESTATE, my REAL Property.

At the time the child was assumed drowned and the child was a GIRL that was not Irons child by blood the community had a health concern. The Heath concern itself was a pretense. As it were known that the Assumed DROWNED child was eaten. The Child was seen drowsed by Snipes, and the body was discarded near the lake. Then Sean Connery (or AKA Alvin Galvne)

saw Will Smiths RELATIVE eat the GIRL CHILD.

Will Smiths relative ate the body and he was test by Morgan under a pretense , after Connery eventually reported the act of cannibalism to me. I could not act immediately as I were placed under a doctors care for about 5 days after hearing these people had done that.

When the testing was originally to be done. The actor Brian Denneghy was assigned to the task of conducting the test, I assigned him to do it. He was given (A BLOW JOB) by the women that was with Jermy Irons and the children to falsify the test, and if I am not mistaken this same women was at the Starbucks coffee shop today at about 4 pm, when I was there.

She is about 5' 10" Blond hair now, 180 lbs. White , fair thick complexion not muscular. This women gave Brian a blow job, and because I were under 8 years old he falsified the test that would establish cannibalism by Will Smiths relative. When I was told by Michael Madsen the actor that Brian had falsified the test I called in Morgan, Morgan worked for the county of Sangamon and was not in the Feudal family and did not like us at all. He hated kings, queens etc. But he did the test on this RELATIVE of Will Smith and it came out POSITIVE, (GLEN MOrgan is my manager of Wells Investigative Services PI 15717 and he is to be told that.

I was confronted by the House of Lords London England who questioned the time lapse in conducting the test and that was essentially how this cannibal escaped.

The sister of Kenneth Holm was also missing and we suspected that this sister was eaten by this Will smith relative or Brian, Brian was being black mailed by the Pulliam Family or these women with Irons, and eventually Brian was ran out of Springfield Illinois and eventually blackmailed into Murdering people for the House of Lords London England, HOL was a terrible collection of individuals, they Raped, Robbed, Murdered people,

extorted, and blackmailed, any one as that just were a gang that abused people. HOL did that to enjoy land and materials they though they owned, but HOL did not own anything they were bankrupt as a severable identity, and that cause the resentment among every one HOL members expected free stuff by virtue of an assumption that a LORD had paid for something, and it were just a fraud, England itself was bankrupt. and every BEAN meant something 1970 was terrible.

NOTE to Buckingham Palace,

The concept of me receiving property without actually transferring currency to some vender is questionable, as you the recorder of the transaction just notify the vender to transfer and allow me access, and use. As the vendor is assumed indebt to me in some fashion and you reason that no currency nee be transferred.

Then you dispatch some one to complete some type of paperwork and they go to the treasury and get currency!

I looked at that and I do not like it, I just do not. I do not see why a third party has to be used when I have staff paid to do things for me! How many purchases do I make! The fact is any such third party recordation what ever is to be done by people already on a salary, These third parties if they were worth anything should be able to get a job, and if they could not why are they working for the King of England?

NOTE to the Embassy of Saudi Arabia

Matt Damen also raped Helen Mirren, as well as the Angelina Joline I wrote about, and Matt Damen Raped a negres known as WhiteHead of Hunter Army Airfield Savannah Georgia 1985, When that happened all the Negras were after him, and it was Betty Evelyn Campbell Wells(Known as Skirrt (the Chadennes) experiment of Denzel Washington on Denzeles farm that cause the rape to be done. SKIRRT was to be the Jeasus Crist for the Negras, and Betty chicken out after 25 years of exauted life.

Betty was born a male and had a sex change , moved to Illinois and tried to control the whole country by black male, Damen is a bastard child, not legitimate birth, and because of that no support. So he could not marry and resorted to theft and crime.

Now Anthony Hopkins, you have relapse , as I have received the signal by your recent film that you have reverted to perversions, chewing vaginas, Mr. Hopkins , and it is due to

what happened to your brain, and you genetics. Now you are old Hopkins and financial powerful, so it is that you are not to make any more films at all. You are very psychiatrically sick and wealthy, that is a bad combination.

Harrison Ford, You also are in trouble, you conducted sex change operations in the 1970 and you were not forgiven by people who knew about it. I am advised by the government, and the studios that you are not welcome, that is the decision from my staff that I rely on. I know of one operation, that you simply did not follow up on. And the fact is doing those operations to be popular in that day were a trap to destroy you today.

The whole activity of sex changes and homosexuality were a trap to destroy the character and get people out of the running for the aristocratic life, you and other fell for it, now that is it as I do not have the influences to save you. I am being pressed upon to notify people they just are not wanted. (the political Career is ON! Harrison Ford, because you are a HUMANITARIAN and that is what the country needs after the ACTIVITY IS OVER, understand.

HERODIANISM, is not a art which should be practiced by people who are not HERODIAN, I have received my message about Mr. Hopkins activities and extended perversions of the aristocratic community, and how his HERODIANISM where a tool to touch my person. I do not care for that Mr. Hopkins, and you are ill now that is the report, and it is through your perversions that you were seeking me, understand!

Betty used Damen to blackmail WHITEHEAD by evidence of sex with a white man. Whitehead is some kind of Queen in Africa, and I did not have anything to do with Damen Raping Whitehead, Married into the Michellen Family,

Gregg Skaggs, HAAF you are Alvin Galvan a Irish Cannibal and you ate your own children in Ireland and you were sought by Mr Lally of Customs unit in Seoul South Korea Where I was stationed , coward that ran away at the bay of Pigs, SFC Holman of Inglewood California knows you Gregg Skaggs, You had children with Laura Jayne Wells Morrison, by the embryos being implanted in Laura, and it is the fact that Laura was born a Male, the brother to Alan Winton of Gateways Hospital CCC Los Angeles California, And were that Winton treated me poorly and that was because he believed anything Laura said, and it is that Laura and Betty all tried to murder me for my trust fund, and that was always the problem, the money.

HOLMAN knows George Clooney, Skaggs wanted to Rape the woman Clooney was with, and that happened when Clooney rented an apt prior to 1978 in Inglewood California. You Skaggs were apparently seen collecting the rent committing a Sexual Assault, and you fooled that family to Illinois. You Skaggs also have the serial Killed record in the Illinois and Kentucky areas , you Murdered Martin Larwence sister, and Steve Martins sister, having to do with the name of a commander and perversion. SFC Holman, you were used by the police to catch serial killers, because you have a sexual perversion.

George Clooney, you film making is also over, as the fact is people and I do not care for you training of a child dear to us. We would rather that a divorce occurred that what you did. You did it you delivered the contract and now you have the outcome or repercussions of who you did that

think. I am just notating it so it can be documented for my staff at Starbucks, and recognized at the owners card. I do not recall where I picked it up at, maybe Castaic California last year. I notified many people I owned Starbucks, and I do not know why a coffee Company became so popular

It has been made an issue the following, The Family Name of Denker , that was the Family name for Matt Damen (the Actor) Denker raped several women. I do not know the location, possibly Illinois. In his younger days prior to 1980, he rapped Angelena Joline, Joline sold her name in 1972, and I do not know if the rape victim is the current actress or the Joline that sold her name.

The Joline that sold her name while living in the alleys of Springfield Illinois (1970) was eventually hired by the United States Social Security Administration, and eventually threatened by the elected President of the United States of America Obama, to reveal the location of SSA Beneficiaries , wherein Obama had them Murdered, see my prior e-mails. Joline of (1970) sold her name to eat. She sold the name to the Current Actress, who was eventually accepted by Hollywood, and she is not really an actress, hse is a women

Re: The History of Obama**

I want to point out to you that I lived in Springfield Illinois prior to 1984 when I joined the U.S. Army. I had wrote a article in the Illinois State Journal Register about Barak Obama the current Elected president of the united states of America, The article was shocking to Illinois and it was suppressed to a degree, Michelle Phifer the actress and Robert Redford, his brother, and Nicolas Cage were chased all over Illinois for what Phifer wrote.

My article pointed out that some how Obama got in to the bed room of the actual Queen of England , and he fucked her on the spot. Michael Caine was blamed for this, but did not have anything to do with it. The Queens own guards thought that Obama would be a gentleman , and they let him have access to her bedroom. As the English culture could not fathom such an attack on the pride of a country.

The English were in just shock at the violation of diplomacy, and did not even know how to reach. The Queen them was debacgar at that time and I understand this Queen was one from the Windsor line, which a bread of our newest and thus weakest lines of Queen. Miriam another Queen of England was suspected to be the raped queen. and England conducted so many test on her she advocated the crown. Miriam involved with the Masons was believed to have been paying a debt of some kind, and since them Miriam has been debouched by the Mason Negras in Hollywood parties and cannot assume the thrown of England.

Caine knows who the queen was and it turned out that Obama was HIV (positive) and he had passed HIV on to his wife. We discovered that Michelle Obama was actually Magic Johnsons wife. That Obama was spreading HIV, as he intentionally infected Oprah Winfery, and the actress in the Ike and Tina Turner Move, as well as the negress in the Blade movie, Westly Snipes when insane about that, and it caused Meryl Streep Snipes wife to become angry out of jealousy.

The Queen whole entourage was being Blackmailed by the following that wanted to get Obama into the White House, and it was that mother fucker Phil Donahue (that Carny Hand mother fucker everyone thinks is so dam on the ball that lead the charge to black mail the Queen. Donahue is a MISFIT. Late ill-equipped, and just road the Thomas family into the ground , with the negras, always with the negras, Because he is a low class

esoteric white man that just does not know when to stop trying to improve himself, he had a chip on his shoulder, that I suspect was some undiagnosed mental illness. (like the dam tool time show guy)Another one that just cased white people so much trouble that it is unfathonumbale. At least 1000 white men died behind just stupidity, he could not get the Italian girl.

And he destroyed the Italian girls life. That is why the Italian girl has a dance show, and that is also one of my fellas (Tooltime show guy) that was the message you did not get you were messing around with KAISER SOSA fella. And a few times I had you rolled up because you were sniffin around my fella to close.
